SPACEPORT NEWS INDEX
JANUARY 1980 -- DECEMBER 1984

National Aeronautics and
Space Administration

John F. Kennedy Space Center

KSC FORM 16-12 (REV. 8/76)

00000515

FOREWARD

The Spaceport News Index is intended to serve as a ready reference tool for the names, places, and events that comprise the history of John F. Kennedy Space Center. The period covered by the Index is January 1980 through December 1984.

The arrangement is alphabetical by subject; under each subject, entries are arranged alphabetically by title. To facilitate use, cross references and scope notes have been provided.

The Index was prepared by KSC Library Services. Questions may be referred to KSC Archivist, NWSI-E, 867-2407.
